MEMORANDUM FOR: Assistant Director, OSA
Subject: Targeting for Project OXCART
REFERENCE: Memorandum for Chairman, COMOR:
Subject: Same as above

25X1

1. The attached memorandum has been discussed with Mr. Reber and it is his opinion that such a memorandum is necessary to energize the COMOR requirements for OXCART.

2. While the COMOR has been briefed on phases of OXCART, I do not believe that complete operational planning factors have ever been provided. To completely inform the COMOR, it will be necessary to go into a detailed briefing.

3. Recommend that the attached memorandum be forwarded to COMOR.
